The **South Dakota Cultural Heritage Center**

is home to the **South Dakota State Historical**

**Society's** administrative, research and publishing,

historic preservation, archives and museum programs.

It is also home to the South Dakota Historical Society

Foundation, the 501(c)(3) fundraising arm of the

historical society. The Archaeological Research Center,

another society program, provides consulting and

archaeological services from its offices in Rapid City.

## Your Membership Investment at Work!

Your membership donation is invested in the work performed by the staff of the South Dakota State Historical Society and South Dakota Historical Society Foundation. Award-winning books and exhibits continue to draw national and international attention to society projects. Public programming and social media posts provide educational opportunities for people of all ages.

The state historical society is also home to amazing collections. The archives maintains a publicly accessible link to a treasure trove of information through the South Dakota Digital Archives located at [history.sd.gov/Archives](http://history.sd.gov/Archives). Rotating exhibits at the museum tell the story of South Dakota.

Leading the preservation effort are the State Historic Preservation Office and the Archaeological Research Center, which help citizens and communities across the state plan their preservation activities. While supporting the work of the State Historical Society, the Foundation also operates Heritage Stores in the Cultural Heritage Center and Capitol.

Wherever you look across South Dakota, the Historical Society is there, helping the public preserve the complex history, as well as the cultural legacy, of South Dakota for future generations. We want to be certain that your investment in us pays a dividend for you, your family and your community, so please do not hesitate to contact us if you have any questions about how we put your membership investment to work. Thank you for your support!
