

South Dakota State Property Tax Moratorium Program and Deadwood Fund Grant Program

★ State Property Tax Moratorium, 2006-2015

-217 projects approved in 28 communities

-Total private investment of \$86,030,781.92

-The South Dakota Legislature has provided for certain property tax benefits for the rehabilitation of historic structures in SDCL 1-19A-20. If a historic building qualifies for the tax benefit, an eight-year moratorium is placed on the property tax assessment of certified rehabilitation improvements.

● Deadwood Fund Grant, 2006-2015

-106 grants awarded for projects in 46 communities

-Total grants awarded = \$1,183,593

-Total private investment in the 106 projects that received grants = \$4,077,935

-This program is funded by a portion of the gambling revenue generated in Deadwood, South Dakota. Grants generally ranging from \$1,000 to \$25,000 are given to projects that retain, restore, or rehabilitate historic buildings, structures, and archaeology sites in South Dakota for commercial, residential, or public purposes.
