

**Governor Warren Everett Green**  
**Years in Office: 1931-1933**

Birth: March 10, 1869; Jackson County, Wisconsin  
Death: April 27, 1945; Watertown, South Dakota

Governor Green attempted to deal with the state debt through budget reductions and tax reforms. He also made efforts to aid farmers as the state was suffering through the depression and a string of natural disasters.
