

ARCHIVES MONTH  
★ #FLATDOANE ★  
OCT 2023

## Post Card

*Dear friend,*

South Dakota State Archives wants your help celebrating Archives Month this October!

Doane Robinson, first state historian, was accidentally foldered and flattened during some enthusiastic collections processing. Now he's free, so we're sending him to meet our friends! Snap a photo with Doane and share it and the location to social media with the hashtag #FlatDoane, or email it to [statearchives@state.sd.us](mailto:statearchives@state.sd.us). Then log on and check out Doane's adventures! For details, please visit [history.sd.gov/Archives](http://history.sd.gov/Archives).

Thank you for helping us spread history through the post this Archives Month!

*Take care,*

*South Dakota State Historical  
Society and State Archives Staff*
