

Clothespin Snowman

Materials: 1 clothespin 1 popsicle stick 2 cotton rounds 2 hat stickers 1 felt "scarf" 1 magnet 1 gluestick

1. Glue the clothespin to the popsicle stick at the bottom of the stick with the clip opening downward. Use lots of glue.

2. Rub glue on the bottom end of the popsicle stick and glue on one cotton round as the snowman's body.

3. Draw a snowman face with a pen or marker on the other cotton round.

4. Rub glue on the stick above the snowman's body and glue on the snowman's face. Leave a little gap between the snowman's face and body.

5. Tie the felt scarf around the popsicle stick and clothespin in the gap between the snowman's face and body.

5. Remove the backing and stick one hat onto the popsicle stick above the snowman's head. Stick the other hat back-to-back with the first hat with the popsicle stick in between them.

6. Remove the backing and stick the magnet onto the clothespin behind the snowman.
