Pinecone Christmas Tree Instructions

Materials:
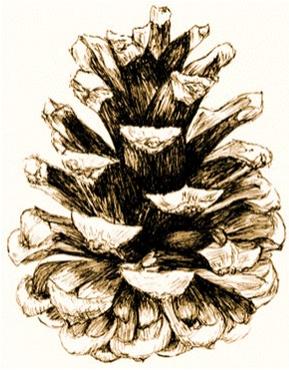

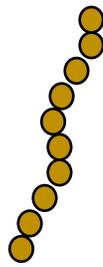

| 1 pinecone	1 bead strand	2 star stickers	25-30 pompoms	1 gluestick
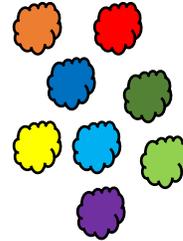

1. Glue one end of the bead strand into the pinecone near the top. Wrap the beads around the cone and glue the other end into the cone.

Glue beads on top
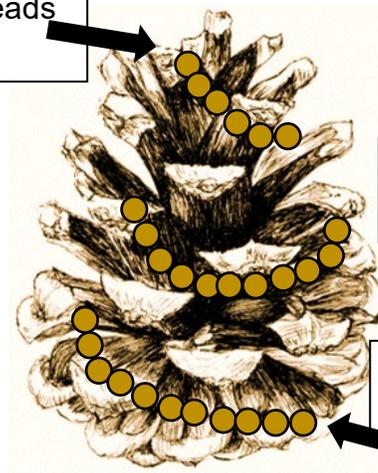

Wrap beads around cone

Glue beads on bottom
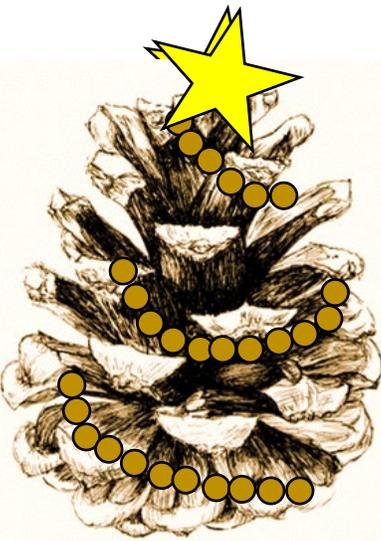

2. Attach the star stickers back-to-back on top of the cone.

3. Pick up each pompom and rub it gently on the gluestick. Place the gluey pompom onto the pinecone "petals" as ornaments.

Rub pompom on gluestick
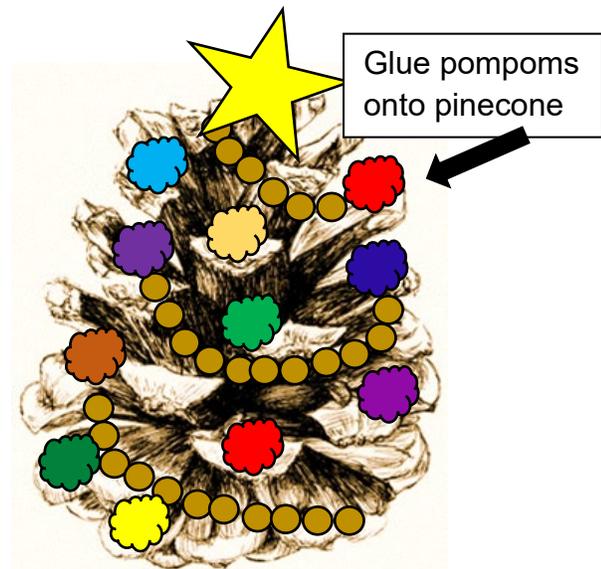

Glue pompoms onto pinecone

Stand pinecone up and enjoy your new "tree"!
