

**SHPO Annual Work Plan Suggestion Form  
for  
Federal Fiscal Year 2023**

This form is not an application for funds. It is simply a tool to help the South Dakota State Historic Preservation Office (SHPO) plan its work for the coming year. Each suggestion will be considered when developing the federally required annual Historic Preservation Fund application to the US Department of the Interior. Eligible projects will be evaluated in accordance with the SHPO's priorities for meeting the goals and objectives outlined in [State Historic Preservation Office Statewide Preservation Plan](http://history.sd.gov/Preservation) (found on our website at <http://history.sd.gov/Preservation> in the right column under *In the Spotlight*). Funding for the program is extremely limited. Some of the projects suggested may be accomplished through the SHPO's subgrant program, and others may be carried out by SHPO staff. **For restoration/rehabilitation work, see [Deadwood Fund Grant Application](#)** (found on our website in the right column under *Main Pages/Funding Opportunities*).
