

## Architectural Historians

This list contains professionals in the field of architectural history and includes only individuals who requested listing, submitted a vita, and appear to meet or exceed the minimum professional qualifications standards under 36 CRF 61, Appendix A. This list is distributed with the understanding that the South Dakota State Historical Society, State Historic Preservation Office, does not recommend, endorse, or assume responsibility for the quality of the work nor guarantee that any work product produced by those on this list will necessarily meet federal or state requirements. The professionals on this list possess varied levels of education and experience, and their listing does not imply that every individual is qualified to conduct all classes or levels of investigation, research, testing, or reporting.
