E. RANGE 
F. SECTION 

G. Provide a USGS 7.5 minute quadrangle map of the project area. If the project is in an urban area, show the location(s) on a city map. Photocopies are acceptable, but poor quality maps or insufficient information will cause review delays. Do not enlarge or reduce the map.

Is a map showing the exact location of the project attached to this form?
YES X or NO  

6. PROJECT DESCRIPTION
Describe all anticipated work associated with the project. Be specific. The description should include all ancillary facilities such as access roads, placement of utilities, additional outbuildings, fences, material borrow areas, staging areas, etc. Use as much space and as many pages as needed to clearly describe the project.

All eight windows at the Post Office in Colome will be replaced. The windows are four over four double hung wood windows with 16 light panes. The windows date to the original construction of the building in 1940. The new windows will be of similar material and design. See attached photos.
7. PROJECT PLANS

Plans, drawings, engineering specifications etc. should be included to help explain the project, but these cannot replace the above verbal description. If new construction is involved, elevation drawings and plans should be included.

Are plans, drawings, engineering specifications, or similar documents attached to this form?

YES X or NO □

8. PHOTOGRAPHS

Provide several clear, original photographs of the project location. Also, include photographs of every affected buildings/structures, including an overall front view of each structure and other views necessary to describe fully the structures and the project. Streetscape photographs of surrounding buildings and structures should also be included. Photographs should be color and can be either printed or digital images submitted on a CD. Printed digital photographs should have a high dpi and clear resolution. Photographs should also either be labeled or include a key.

NOTE: Projects submitted with insufficient photographs will cause review delays.

Are photographs that clearly show the project location attached to this form?

YES X or NO □

9. PROJECT AREA OF POTENTIAL EFFECT (APE)

The APE consists of the geographic area or areas within which a project may directly or indirectly, cause changes in the character or use of historic properties. In most instances, the APE is not simply the project’s physical boundaries or right-of-way. The APE also includes all ancillary facilities such as access roads, placement of utilities, additional outbuildings, fences, material borrow areas, staging areas, etc. The APE may include visual and audible effects.

Highlight the APE on a localized map.

A. Is a map highlighting the APE attached to this form? YES X or NO □

B. Provide a written description of the APE. Describe the steps taken to identify the APE, and justify why the APE boundaries were chosen. If the APE has been previously disturbed, include an explanation of the previous ground disturbance.

All work will be confined to the windows. The work area will be confined to those areas directly around the building and the parking lot. No ground disturbing activities are associated with this project.
II. IDENTIFY HISTORIC PROPERTIES

10. IDENTIFICATION EFFORTS (See 36 CFR 800.4)
Identification of historic properties may include, but is not limited, any of the following identification methods. Check which steps were taken to identify historic properties in the APE. Check all that apply and describe the results.

A. ☐ RECORD SEARCH
Conducted a record search through the Archaeological Research Center in Rapid City. Record searches are available for a fee by calling 605.394.1936. This will include a search of all previously-surveyed archaeological sites and structures within the APE and within one mile of the APE.

If a record search was conducted, is a copy of the results attached to this form? YES ☐ or NO ☐

B. ☐ ON-THE-GROUND SURVEY

If a survey was conducted, is a copy of the survey report and/or survey forms attached to this form? YES ☐ or NO ☐

C. ☑ SEARCHED THE NATIONAL REGISTER OF HISTORIC PLACES DATABASE
This database is available online at: http://nrhp.focus.nps.gov/. NOTE: This database only includes properties listed on the National Register of Historic Places. Properties that are eligible for the National Register must also be taken into consideration.

If the National Register database was searched, is a printout of any results attached to this form? YES ☑ or NO ☐

D. ☑ BACKGROUND RESEARCH
Please describe sources reviewed and findings of research. This could include such things as reviewing county or city history books or conducting research at a local historical society, research facility, or county courthouse.

The Post Office was previously determined eligible for listing on the National Register of Historic Places by the State Historic Preservation Office in 2001.

E. ☐ ORAL HISTORY INTERVIEWS
Please list who was interviewed and describe what was learned through the interviews.

F. ☑ CONSULTATION
Please describe who was consulted and the results of the consultation. Examples include tribes, historic preservation commissions, the public and local historical societies.

A letter was sent to the local historical society on May 11. No comments were received. A follow up telephone call was made on June 12. The historical society discussed the project at their monthly board meeting, and had no concerns provided the project followed the Secretary of Interior Standards. A letter and minutes of the board meeting were received on June 15. See attached.
G. OTHER
Describe any other efforts undertaken to identify historic properties and the results of those efforts.

11. HISTORIC PROPERTIES FINDING
Based on the efforts described above to identify historic properties, please choose one finding for the project. There are (mark one):

- [X] Historic Properties Present in the APE
- [ ] No Historic Properties Present in the APE

III. ASSESS EFFECTS

12. DETERMINATION OF EFFECT
The federal agency must submit a determination of effect for the SHPO to review this project. Based on the information provided above, the responsible agency official should make a determination of effect on historic properties for this project. Please select and mark one of the following determinations, then explain the basis for your decision.

- [ ] No Historic Properties Affected [36 CFR 800.4(d)(1)] – For a determination of no historic properties affected, the agency official finds no historic properties present or that the undertaking will have no effect upon historic properties as defined in Sec. 800.16(i). Please explain.

- [ ] Adverse Effect [36 CFR Part 800.5(a)(1)] – For a determination of adverse effect, the undertaking may alter, directly or indirectly, any of the characteristics of a historic property that qualify the property for inclusion in the National Register in a manner that would diminish the integrity of the property’s location, design, setting, materials, workmanship, feeling, or association. Adverse effects may include reasonably foreseeable effects that may occur later in time, be farther removed in distance, or be cumulative. Please explain.

- [X] No Adverse Effect [36 CFR Part 800.5(b)] – For a determination of no adverse effect, the undertaking is modified or conditions are imposed to avoid adverse effects to a historic property. Please explain.
  The windows will be replaced with in kind material and similar design. This will have a no adverse effect on the historic property as all work will follow the Secretary of Interior Standards.
The responsible federal agency official must sign this form here prior to submitting it to the SHPO. Projects received without an appropriate signature will cause review delays. **This must be an original signature and not electronic.**
