Oahe Chapel by the Numbers

Did you know that the Oahe Chapel is older than South Dakota's statehood? That is just one of many fascinating statistics!

Over the last decade...

31 couples were married at the Oahe Chapel

 $14\,$ other rentals occurred (baptisms, memorial services, meetings, and more!)

8 Pizza Ranch fundraiser nights were had

over $250\,$ pies served at the summer Pie Social

 $118\,$ people became members of the Oahe Chapel Preservation Society

6 major rehabilitation projects were conducted

Roof Repairs on the Chapel

The Oahe Chapel is seated high above Lake Oahe, the fourth largest man-made lake in the US, on the largest rolled earth dam on the Missouri River. Due to this prominent positioning and elevation, the Chapel often experiences heavy winds and extreme weather that many South Dakotans are accustomed to. In 2024, repairs were made to the roof following damage after an intense Spring wind storm. The repairs ensure that the outside exterior envelope of the historic Chapel is buttoned up for years to come. Similarly, these repairs will ensure that the interior and the contents of the Chapel are protected from the elements. The roof repairs were made in-kind to limit visual change to our beloved Chapel. Luckily, we had, and still have, on hand roofing materials that match the current roof that can be utilized for years to come!

Chapel Event Rentals 2025

The Oahe Chapel can be reserved for weddings, church services, family reunions, baptisms, or other special events, and is available to rent year-round at the cost of \$100 for four hours and, for members, a reduced price of \$75. An additional four hours of rental can be added for \$50. We already have three weddings booked at the Chapel for summer 2025! The Oahe Chapel provides a unique setting and a beautiful view to make any event memorable! For more information, including how to apply to rent the Chapel, please call (605)773-3458 or send an email to Oahe.Chapel@state.sd.us
