

**SHPO Annual Work Plan Suggestion Form
for
Federal Fiscal Year 2027**

This form is not an application for funds. It is a tool to help the South Dakota State Historic Preservation Office (SHPO) plan its work for the coming year(s).

The public is invited to use this form to make suggestions to the SHPO office of projects that SHPO can undertake or subgrant for to support historic preservation efforts in South Dakota. Please complete a separate form for each project idea.

Project suggestions will be evaluated by SHPO staff in accordance with priorities for meeting the goals and objectives outlined in their *State Historic Preservation Office Statewide Preservation Plan* (found on our website at <https://history.sd.gov/preservation/SHPOdocs>). Staff will consider and select projects to include in their annual application to the Historic Preservation Fund, administered by the U.S. Department of the Interior. Funding for the program is limited. Not all projects will be selected.

Forms should be received by SHPO **no later than October 31st, 2026.**
